

PA Gyms and Coaches -

Over the past few years, Pennsylvania has opted to do "team" award banners. This is not typical for USAG T&T to do, especially at a state competition. We choose to do this to give the athletes a sense of accomplishment, and excitement, and to have something hanging in their gym that they can look at and feel proud of. It is more to build a sense of camaraderie in the sport of Trampoline and Tumbling within Pennsylvania than it is a podium award.

Team banner awards will be announced via email, state website, and socials (Instagram/Facebook) following the competition and finalization of scores. Banners will be mailed or received at the Region 6 Championships - whichever is deemed most necessary by the state board. Due to banners being awarded by level groups and not age groups, there is no need to hold coaches later after the conclusion of awards to possibly receive a banner. These awards must be done manually since these categories are not a T-Score feature, or as mentioned previously, not a typical USAG award.

We appreciate your patience and cooperation,

Pennsylvania State Board
